FOREWORD

For those select few who pause to read this introductory passage, we, the yearbook staff take this opportunity to warn you the reader that though the alphabetizing of this year's Corinoma might cause initial consternation, we are optimistic that the reader will eventually recognize that such a system has enabled us to replace the space-consuming and rather undynamic divider pages with those that offer increased coverage of the 1967-1968 school year.

Elsewhere we have attempted to eliminate the seemingly endless identifications usually placed under the posed group photos. The emphasis in this annual, then, will be on more meaningful photography instead of the static group shot. We sincerely hope that each and every one of our improvements meet with your approval.

SENIOR HIGH BAND

Concert Band Presents Sicilian Vespers And A Medley From Camelot

BRASS CHOIR

According to Mr. Huey, the band has completed another "musically successful year." In competition with about twenty-five other bands in the Harrisburg Chamber of Commerce parade contest, our band proved its ability by winning a trophy which denoted its excellence. Not only did the band prove its ability in the latter competition, but it also proved its mettle in local parades such as those staged to celebrate various holidays. In addition to the several ensembles within it this year, the band formed a new addition, the football band, which entertained at home and away games.

Highlighting the year of entertainment the Concert Band presented its Annual Spring Concert. Included in the program were SICILIAN VESPERS by Verdi, selections from CAMELOT featuring nine vocal presentations, and the GRIEG PIANO CONCERTO IN A MINOR.

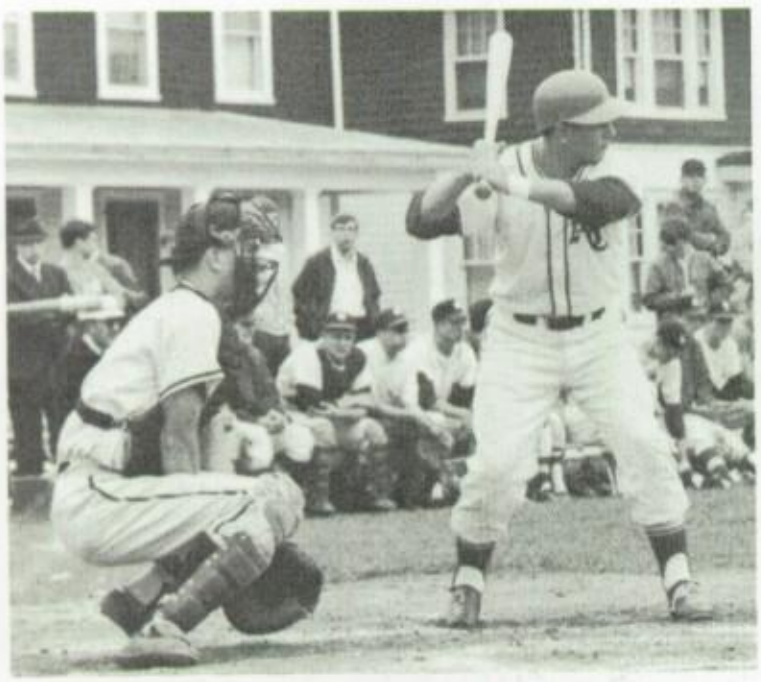
VARSITY BASEBALL TEAM

Under the leadership of Mr. Lingle, the baseball team again won the County championship. After finishing with a 3-2 record in preseason play, the team swept the championship with ten straight victories without a loss. Considered one of the finest ever produced at A.C., the team met little difficulty in taking the second championship in a row. Since this was the last year for the County Baseball League, A.C. is proud to retire the trophy for good.



George Ruth, Don Bowman, Rich Henning, Jerry Boyer, and Charlie Hontz comprised the Keystone for the success of the AC season. With the battery of Bowman and Boyer, plus the stickwork of Henning and Ruth, complemented by Charlie Hontz's lusty hitting and vacuum-like fielding, a team could not help but take the County Championship.

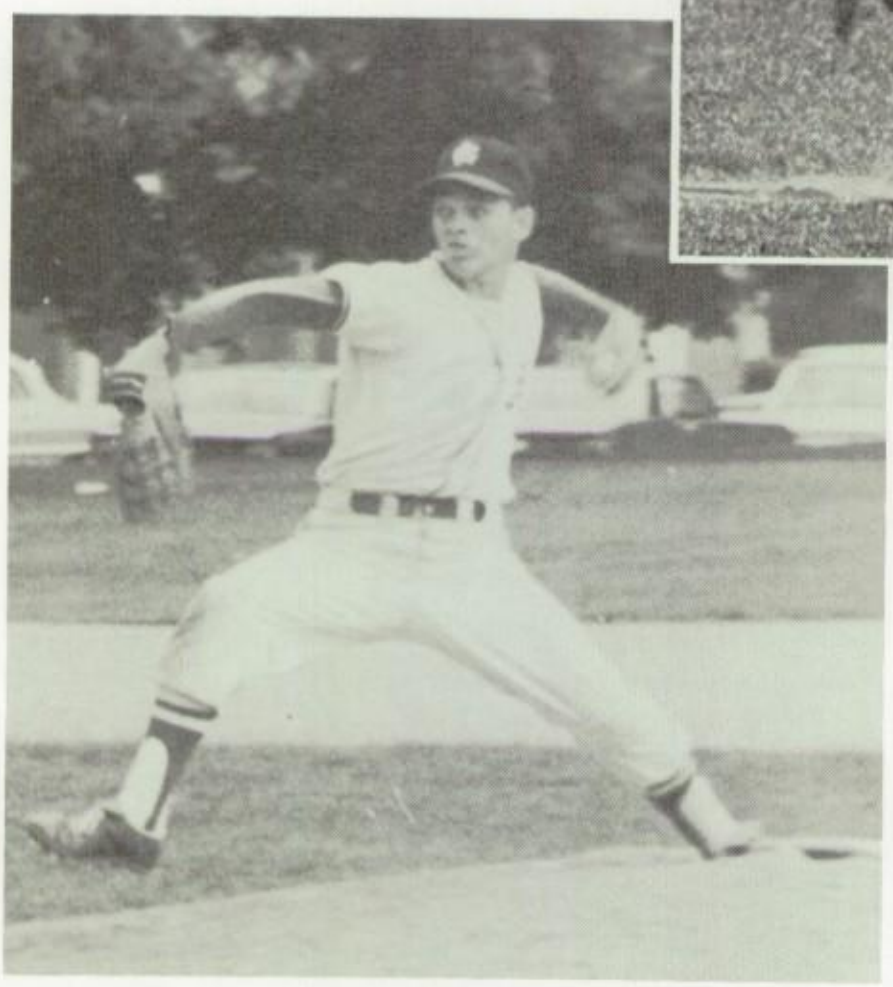
SENIOR BASEBALL PLAYERS

Underclassmen Complement Outstanding Seniors To Effect One Of The Most Successful Seasons In ACHS Baseball History



With the entering of A.C.H.S. into the Lower Dauphin Baseball League next season, juniors Bob Long, Yogi Zeiders, and Jeff Dohner, along with sophomore Ken Shuey and freshmen Dale Gingrich and Bill Herr will have to continue their rapid development to attain the potential they've shown during the 1968 baseball season. Bolstered by several outstanding members of the B-Baseball team, AC should once again be a formidable foe for their opponents from the new league.

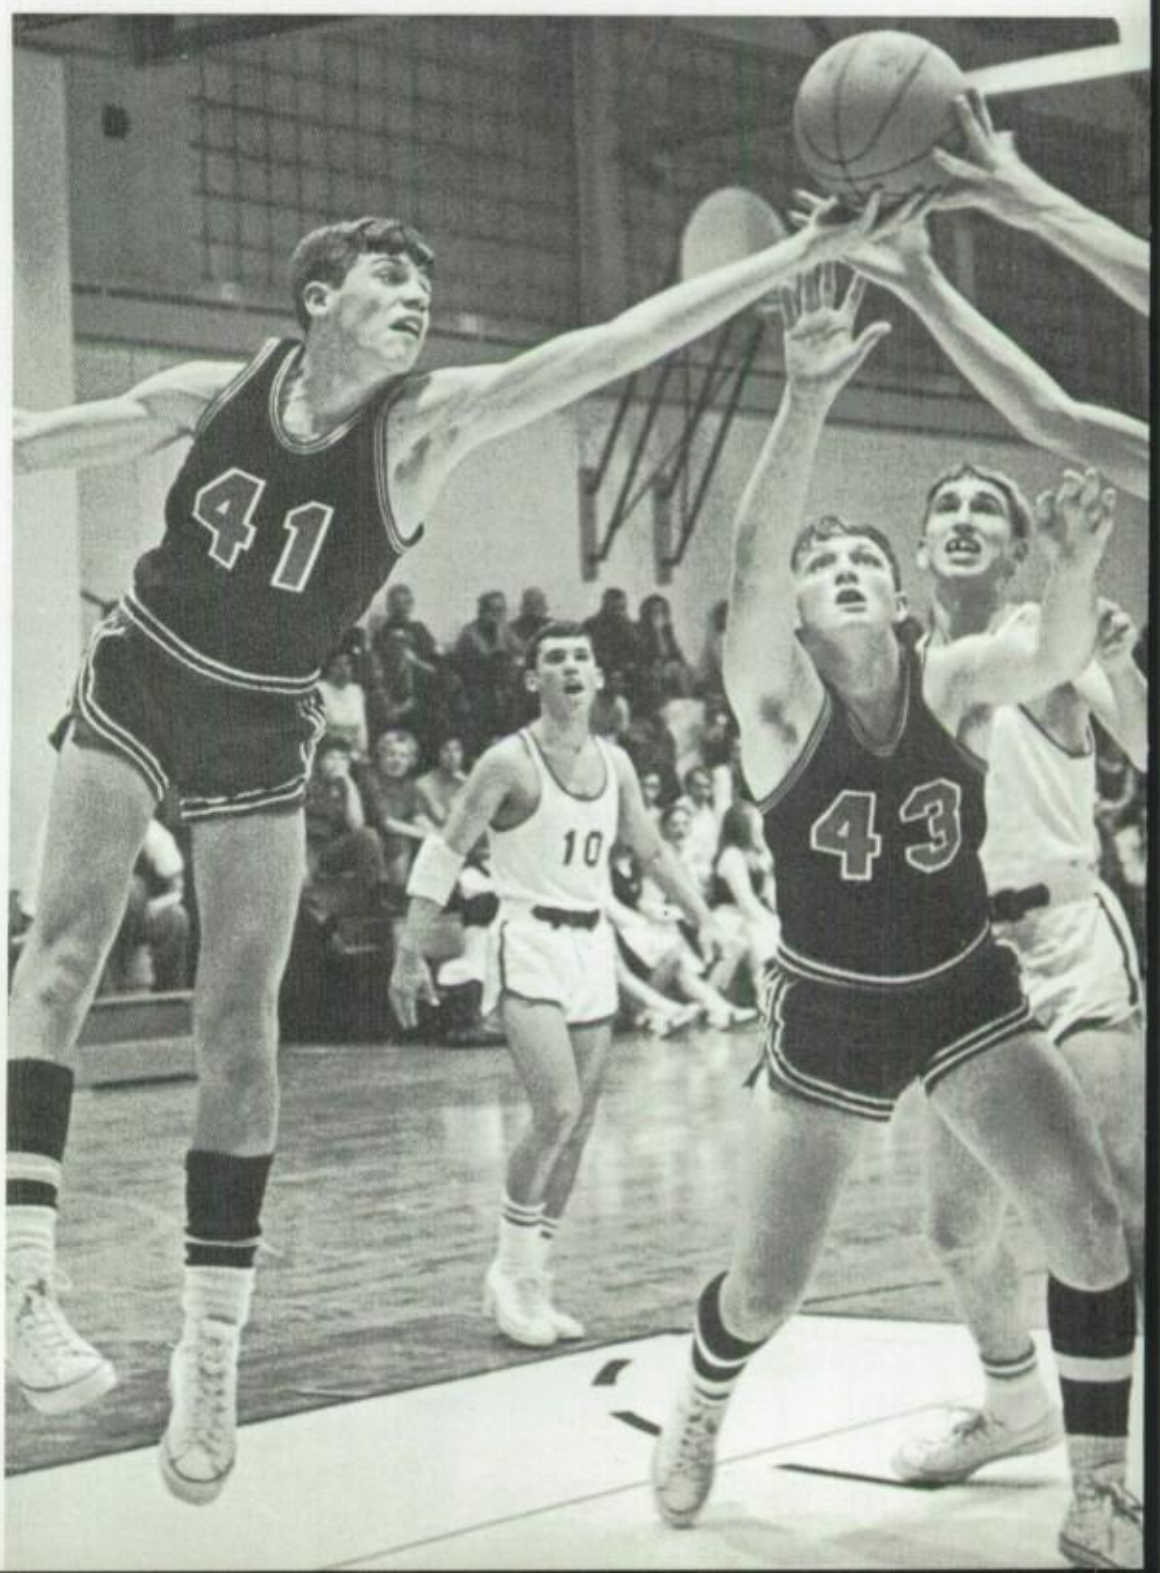
B–BASEBALL TEAM

VARSITY BASKETBALL TEAM

Pegged as one of the outstanding basketball teams of the future when they were in ninth and tenth grade, this year's basketball seniors failed to provide those ingredients of leadership that are so vital to a successful team effort.

The lack of that intangible something which is an indispensable part of all fine teams prevented this year's basketball team from achieving more than a so-so season as the Little Dutchmen finished with 9-11 and 10-12 records in league and overall play, respectively.

Little Dutchmen Basketball Team Suffers



With the loss of the seven seniors this season, coach Hains has to start an extensive rebuilding program if AC is to match their accomplishments. Although the team record did not show much, the individual potential of these athletes was of such a high degree that only an intangible something was needed to mold them into a championship team.

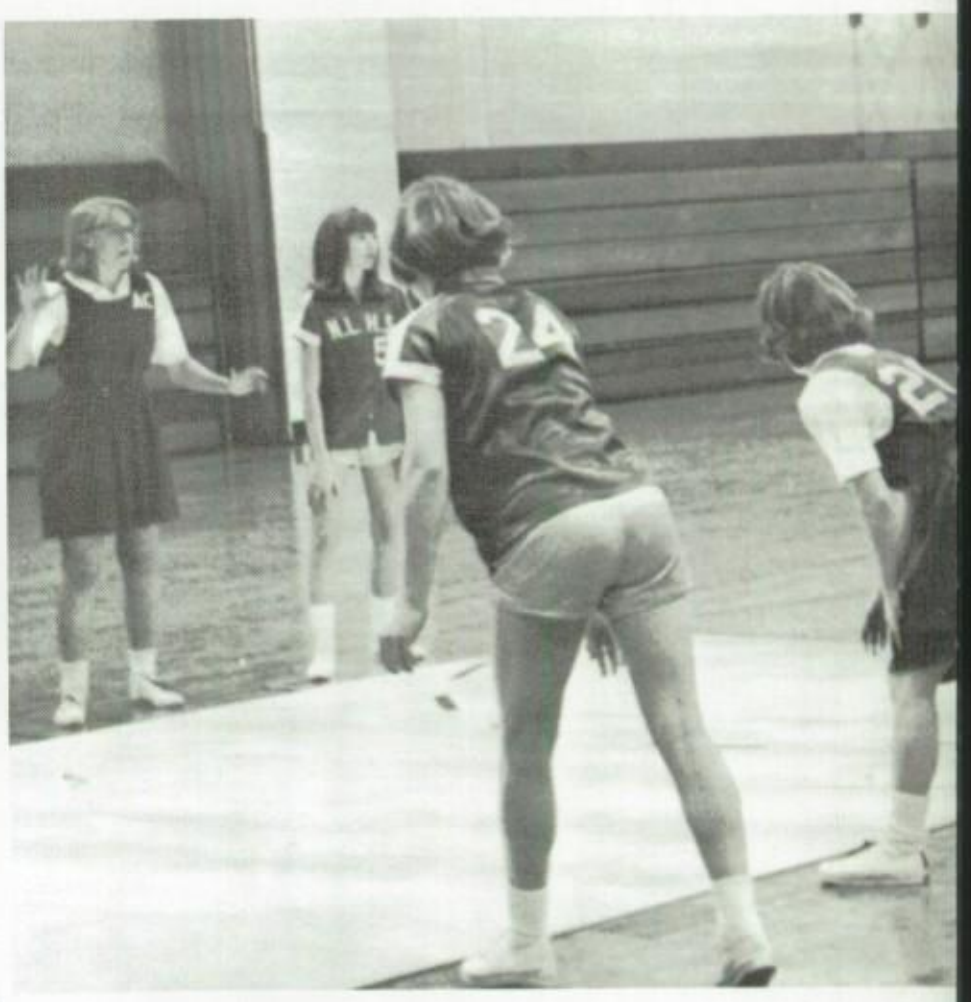
Dutchgals Have Long Win Skein Snapped As



Even though the AC Dutchgals suffered a bitter defeat to Palmyra, signifying the end of twenty-seven straight league victories, they still shared the league title. Despite the loss of our two fine starting seniors--Charlotte Comins and Rose Dillard--an abundance of returning lettermen and the addition of several outstanding members of the Junior Varsity indicate that the prospects for next season remain bright.

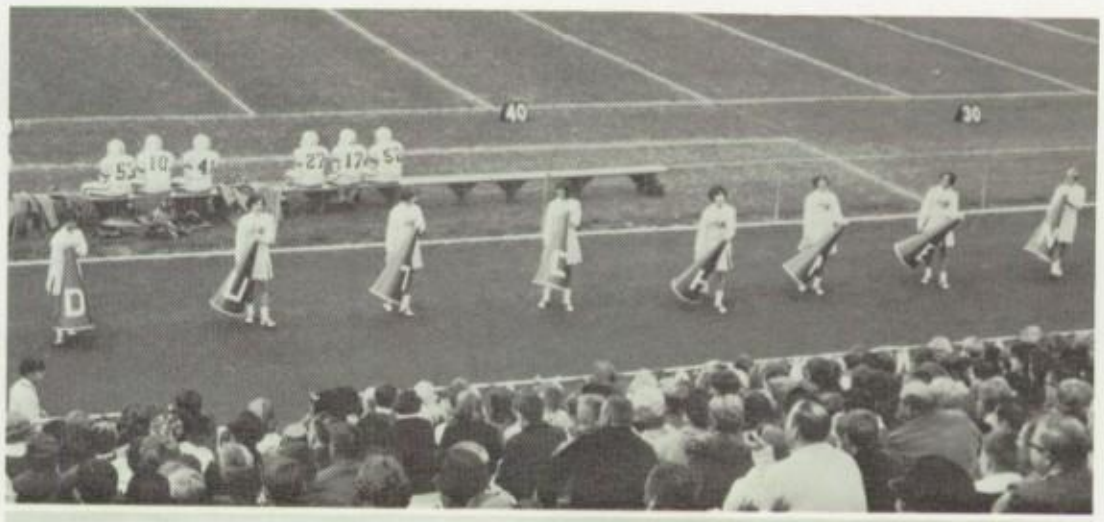
FOOTBALL CHEERLEADERS

School Spirit

In order to promote better school spirit during basketball season, the AC cheerleaders along with the basketball band held various pep rallies for the entire student body. These pep rallies included a basketball game between the Varsity and Junior Varsity cheerleaders and also a pep parade held prior to the Christmas vacation.

At basketball games the cheerleaders were responsible for the development of school spirit and for the amount of support given to our dedicated basketball team.



Throughout the school year, the Chemistry Club had quite a few interesting activities. During many of the regular meetings held on the third Friday of every month, the lab equipment in B-11 was used for various experiments. In connection with one particular experiment, the members enjoyed a lecture by Dr. Griswold, a chemistry professor at Lebanon Valley College. The year was highlighted by a worthwhile field trip to the Armstrong Corporation in Lancaster.

Meet And Eighth At State

Led by the consistent running of a fine group of seniors, AC's harriers experienced another highly successful season. Beaten only by Milton Hershey in seasonal dual-meet competition--a loss which robbed them of the league's regular season championship--our determined runners avenged that defeat with peak performances in overwhelming the opposition in the League Meet.

In addition to this victory, the Little Dutchmen captured the Solanco Invitational Meet and placed third in the Class B portion of the District Three Meet. The latter performance enabled the team to compete in the State Meet where they finished a disappointing eighth despite Wayne Tshudy's fine running which netted him a medal for twelfth place.

MISS RUTH WITTER

Dedication

Though a comparative newcomer to the Annville-Cleona High School faculty, Miss Ruth Witter has continually exhibited those traits which students most admire in their teachers. While those seniors pursuing courses in the commercial curriculum know Miss Witter better than do those who have enrolled in the academic or general courses of study, we all have had the opportunity to appreciate the positive influence of her industry, patience, common sense, and total lack of affectation. As a way of expressing our thanks for the years of devotion not only on our behalf but on the behalf of students past, present, and future, we the class of 1968 dedicate this volume of the CORINOMA to Miss Witter.

VARSITY FIELD HOCKEY

Field Hockey Teams Win First County Championships In ACHS History

With the combination of skill and the will to win, both the Varsity and the J.V. hockey teams won the county championship for the first time in AC history. Long, hard practices and team spirit helped to make the season a successful one. Although the departure of five seniors will be felt, we know that next year's team will continue the winning tradition.

Although the Little Dutchmen's initial season of varsity football competition could not be termed entirely successful from a won-lost standpoint, the team did enjoy some bright moments--especially when it achieved victory over Milton Hershey and East Pennsboro. Even while sustaining losses, the team spirit remained high; only the lack of experience prevented the team from achieving more victories. With the same enthusiasm shown by this year's gridders, next year's football team members undoubtedly will continue their rapid improvement.

In keeping with their goals for the future, the Future Business Leaders of America maintained a busy schedule as the members participated in local, area, and national activities. This year under the direction of their president Carl Luttman and their faculty advisor Mr. Snider, the Business Leaders met the second Friday of each month to hold discussions, to listen to speakers, to plan field trips, or to see films on different aspects of the business world. Along with their already busy schedule, the members participated in competition of business skills with several of their group winning awards for their capabilities. Also these busy people took time to serve others by entertaining the teachers and secretarial staff at Christmas and by contributing their time and energy to the Easter Seal drive.

FFA Parliamentary Procedure Team Enters State Competition

REGIONAL WINNERS: FFA PARLIAMENTARY PROCEDURE COMPETITION

Led by the industrious efforts of its fine president Dale Hoover, the A-C Chapter of the Future Farmers of America enjoyed its most successful year. Individually, several members of the local chapter received honors, including the Keystone Farmer Degree and the DeKalb Agricultural Award, which were bestowed upon Dale Hoover, and the Mary Westenberger Agricultural Memorial Award which was awarded to both Dale Hoover and Ed Heagy.

AGRICULTURAL AWARDS:
ED HEAGY AND
DALE HOOVER

Parent–Son Banquet Highlights FFA Year

On a group basis, the FFA's excellent achievements were even more discernible. For instance, the Parliamentary Procedure Team after several rather frustrating years finally received the recognition it has deserved. Not only did the team win the Lebanon County Contest and the Lebanon-Berks Area Contest, but it also won the Regional II Contest. The latter win enabled our chapter's team to represent southeastern Pennsylvania in the State Contest, marking the first time any team from a Lebanon County chapter has won the right to compete in this contest.

In addition to the successes of the Parliamentary Procedure Team, our FFA chapter, using a Dutch scene as its theme, constructed a float which won numerous honors in area Halloween parades.

Future Homemakers Of America Seek Excellence In The Kitchen

Under the leadership of president Eva Sohlman, the Senior Future Homemakers of America enjoyed a great variety of programs. The members increased their knowledge through various lectures and demonstrations concerning homemaking. In addition to their many in-school activities, the members supplemented their treasury with a successful sale of cookbooks. The year was climaxed in May with a well-organized Mother and Daughter Banquet.

Future Nurses Share Interest In Healing

Through visiting, listening, and serving, the Annville-Cleona members of the Future Nurses of America learned about nursing. In an attempt to learn about different training programs for nurses, the local F.N.A. visited both Saint Luke's Hospital in Bethlehem and the new Hershey Medical Center. Throughout the year on the second Friday of each month the girls listened to speeches about the fields of nursing presented by representatives from various hospitals. On a more pragmatic level, members of the F.N.A. learned practical applications of what a nurse's job entails as they practiced different phases of nursing including how to make cancer dressings.

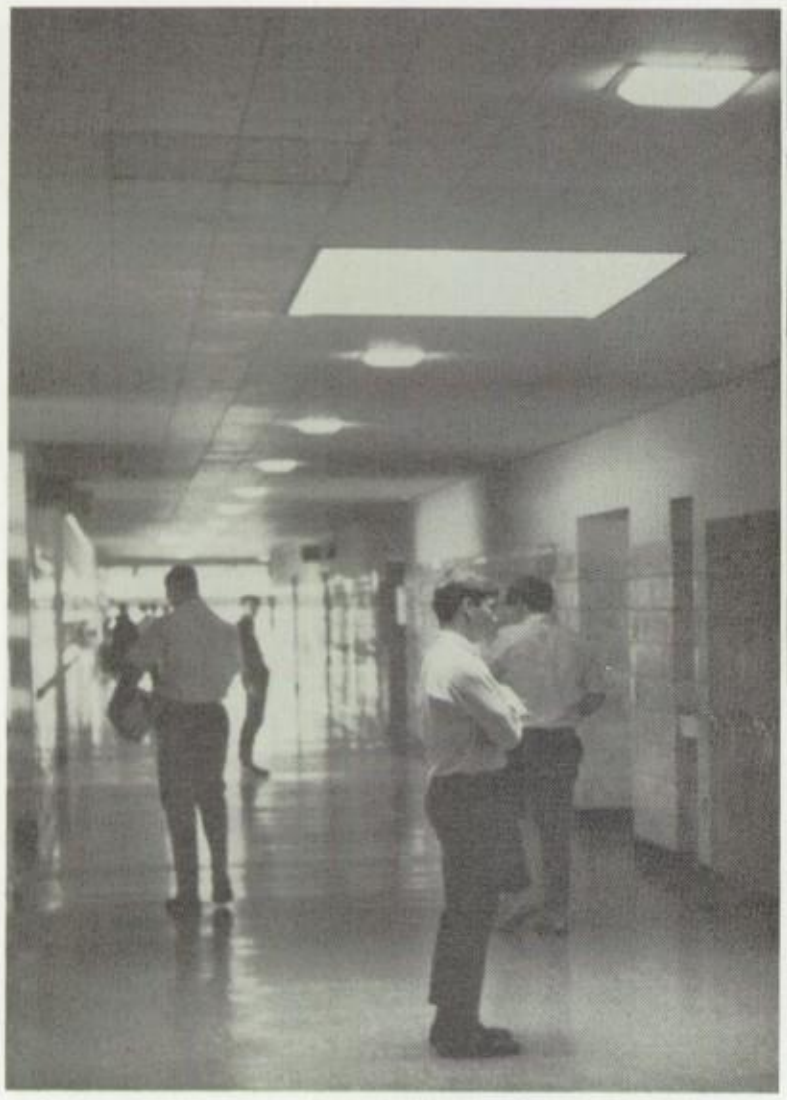
FUTURE NURSES CLUB

FUTURE TEACHERS OF AMERICA

Future Teachers View The Classroom From A Different Perspective

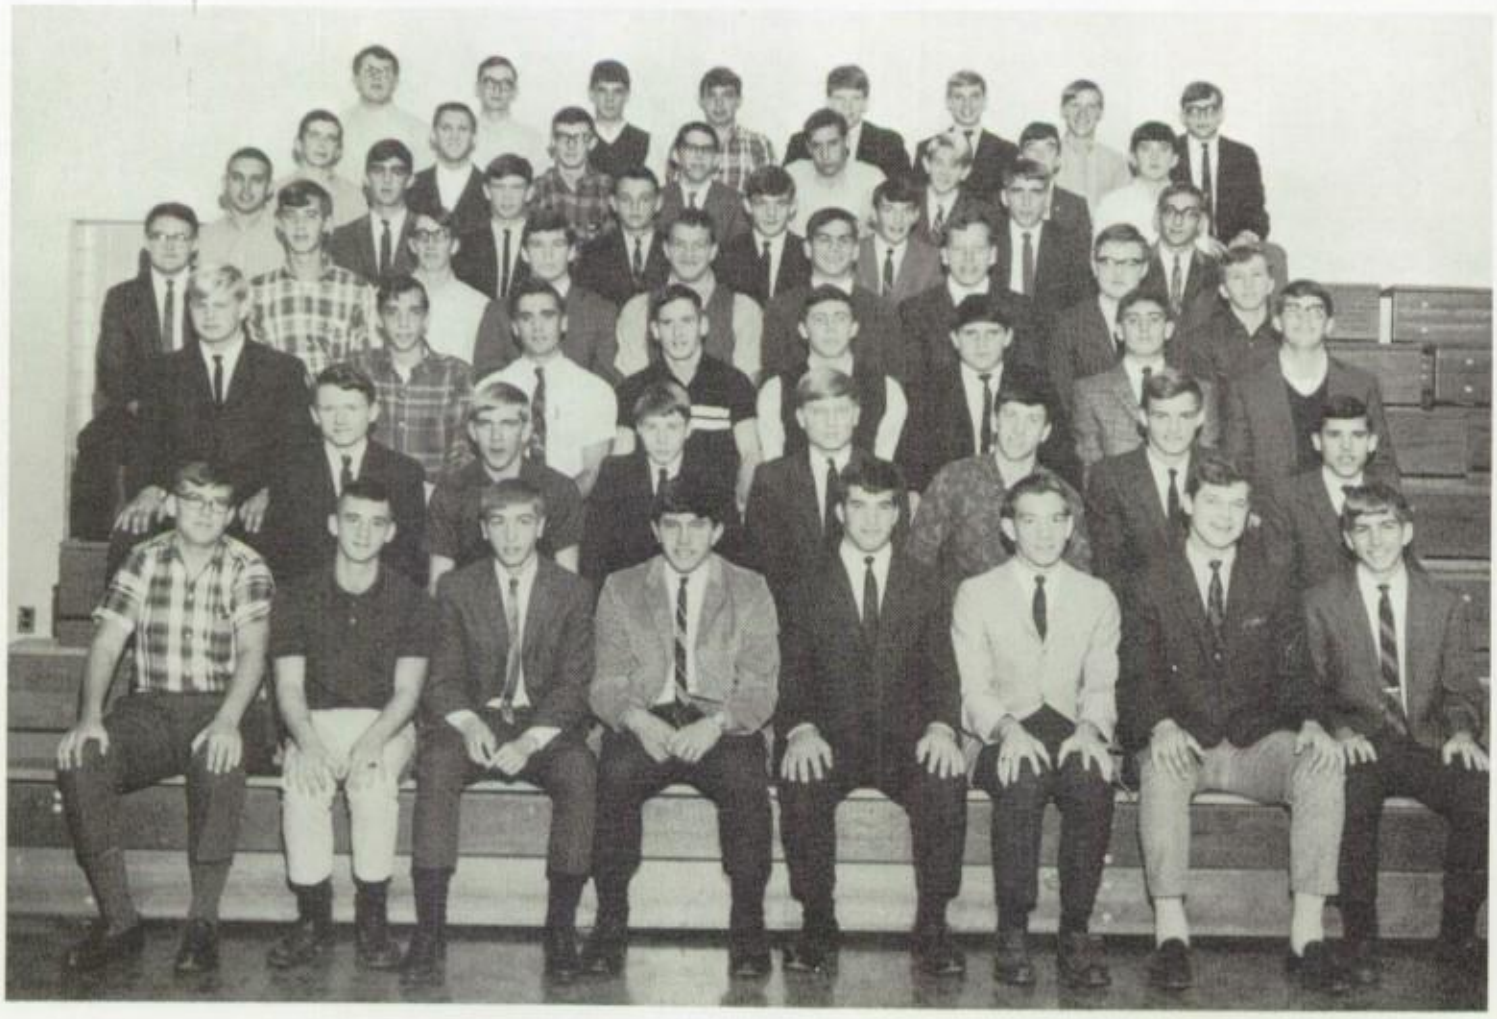
Every week the F.T.A. members relinquished one of their study halls for the purpose of becoming acquainted with professional teaching on both the elementary and secondary levels. Those who made the trip down the hill to the elementary building observed and took part in classes ranging from grade one up to grade five. Other members assigned to high school classes had a chance to learn the practical methods of teaching biology, physical education, English, math, and science.

During F.T.A. meetings, the club members discussed the problems and satisfactions of teaching with panels of college professors, high school teachers, and college freshmen. The year climaxed with an enjoyable and profitable tour of the Kutztown State College campus.



Hall Patrol Prevents Chaos In ACHS Halls

HALL PATROL



SENIOR HI-Y CLUB

Hi-Y Continues Trend

With the inspiring leadership of their advisor Mr. Allwein and the exuberance of their president Bruce Watts, the Senior Hi-Y soared to new heights of accomplishment. Exemplifying the overwhelming consummation of their goals was a highly successful endeavor into the field of journalistic frugality. These highly touted fine young citizens had extremely beneficial meetings on a bi-weekly basis to discuss amores and ethics of the community at large.

The most important and most time consuming goal of the Honor Society members was maintaining acceptable scholastic standards. They also achieved, however, certain other accomplishments. During every seventh period, Honor Society members managed a book sale for the convenience of the student body. In April they presented their annual induction ceremony during which they welcomed new members in both a comical and serious manner. Concluding a most beneficial year, the Honor Society enjoyed an almost-rained out picnic at Memorial Lake.

Juniors Present A "Stairway To The Stars" At The Junior–Senior Prom

As April 27 approached, members of the Junior Class busily prepared for their part in the Junior-Senior Prom. In the usual manner, conscientious members of the class worked diligently within only a few hours of the dance's beginning to complete the decorations centered around the theme "Stairway to the Stars."

Along with the cleverly contrived decorations, one of the outstanding features of this year's prom included the crowning of a king and queen. Bob Wentling, Junior Class President, officiated at the coronation ceremonies of Jack Boger and Sandy Royer.

LIBRARY ASSISTANTS

Although few of the students at A-C realize how much time the library assistants give to the library, without the capable work of these girls, the library would not be able to function effectively. As one of their supplementary activities the club also sponsors an annual Christmas party for the district special education class in the elementary schools. In addition the girls also went on a field trip to Millersville State Library where they learned about the field of library science.

In Memoriam

MARY DIEM

CROSSING THE BAR

Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar,
When I put out to sea,

But such a tide as moving seems asleep,
Too full for sound and foam,
When that which drew from out the boundless deep
Turns again home.

Twilight and evening bell,
And after that the dark!
And may there be no sadness of farewell,
When I embark;

For tho' from out our bourne of Time and Place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crost the bar.

Alfred Lord Tennyson

Every other Tuesday the staff of the DUTCHMAN CRIER meets in A-1 to plan and to prepare for the upcoming issue of the school newspaper. Using as guides the points brought out in Miss Ford's lectures on journalism, the staff strived to improve the CRIER both in quality and in quantity. By cutting layout from one week to one day the staff assured for the student body hotter news. Also they have enriched the newspaper by including more photographs of school activities.

The DUTCHMAN CRIER Improves With The Efforts Of A Capable Staff

Projectionists Aid Class Instruction

A familiar sight to all of us has been that of the projectionist club members pushing their movie carts through the halls. Despite the impatient crowds of students, the projectionists have continued to deliver visual aid equipment to its destination. Whenever needed, these boys were ready and willing to show movies, run filmstrips, and set up record players. Through their cooperation these boys have done much to facilitate the faculty member's upgrading of their schedules.

During Their Last School Year, The Seniors Enjoyed Many Moments Of Relaxation

HONOR SOCIETY INDUCTION

Senior Class Presents

For all students involved, "The Courtship of Eddie's Father" was an extremely enjoyable and rewarding opportunity. Both performances, held on November 16 and 17, were successful. Of course, there were the inevitable on stage complications such as a mistaken cue and a tempermental record player. Nevertheless, both the entire cast and its director Mr. DeHaven derived great satisfaction and experience from working together toward the common goal of a favorable performance.

VARSITY SOCCER

Inexperienced Soccer Team Wins Runnerup

Although the soccer season seemed gloomy, the AC booters did experience some high spots during Coach Worcester's first year at the helm. By defeating Norlebco, they took second place in the Norlebco Invitational. In addition the team defeated the same Norlebco team twice to gain a third place in the County League, which will be disbanded next year.

Individually, Senior Terry Waltz received first team recognition on the County All-Star team. Senior Mike Fake and sophomore Rennie Marquette also received post-season honors in gaining berths on the second team All-Stars.

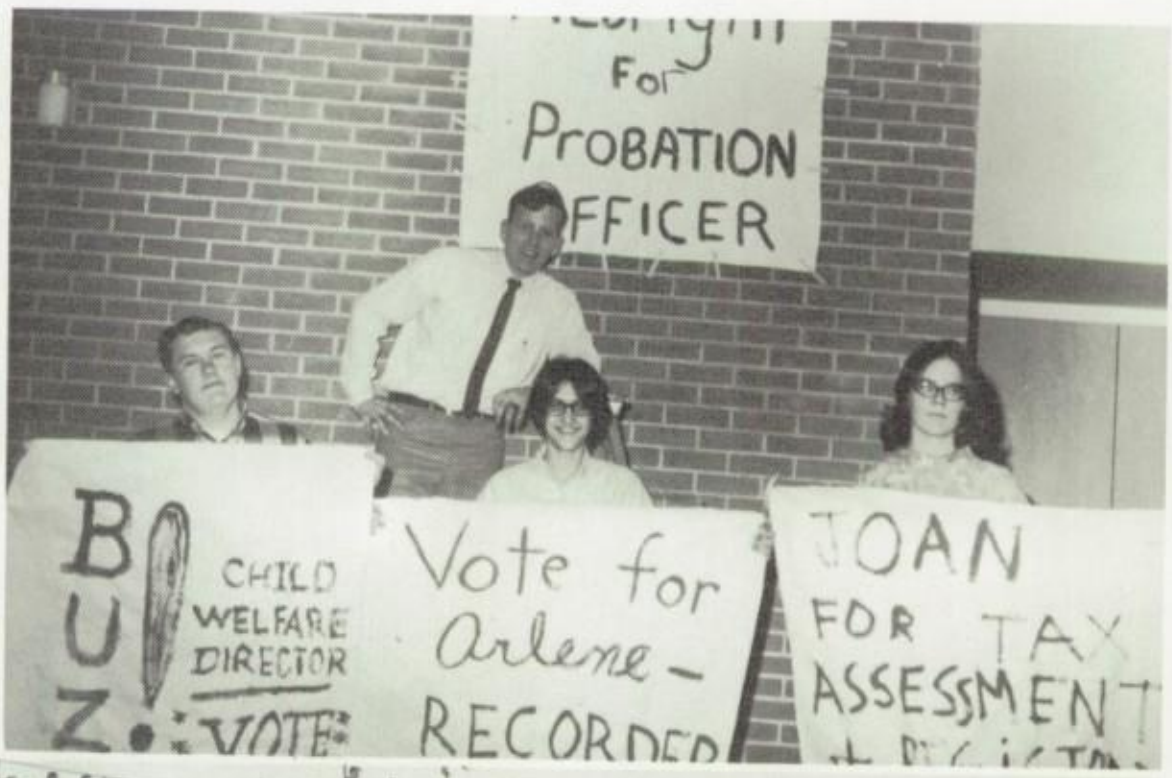
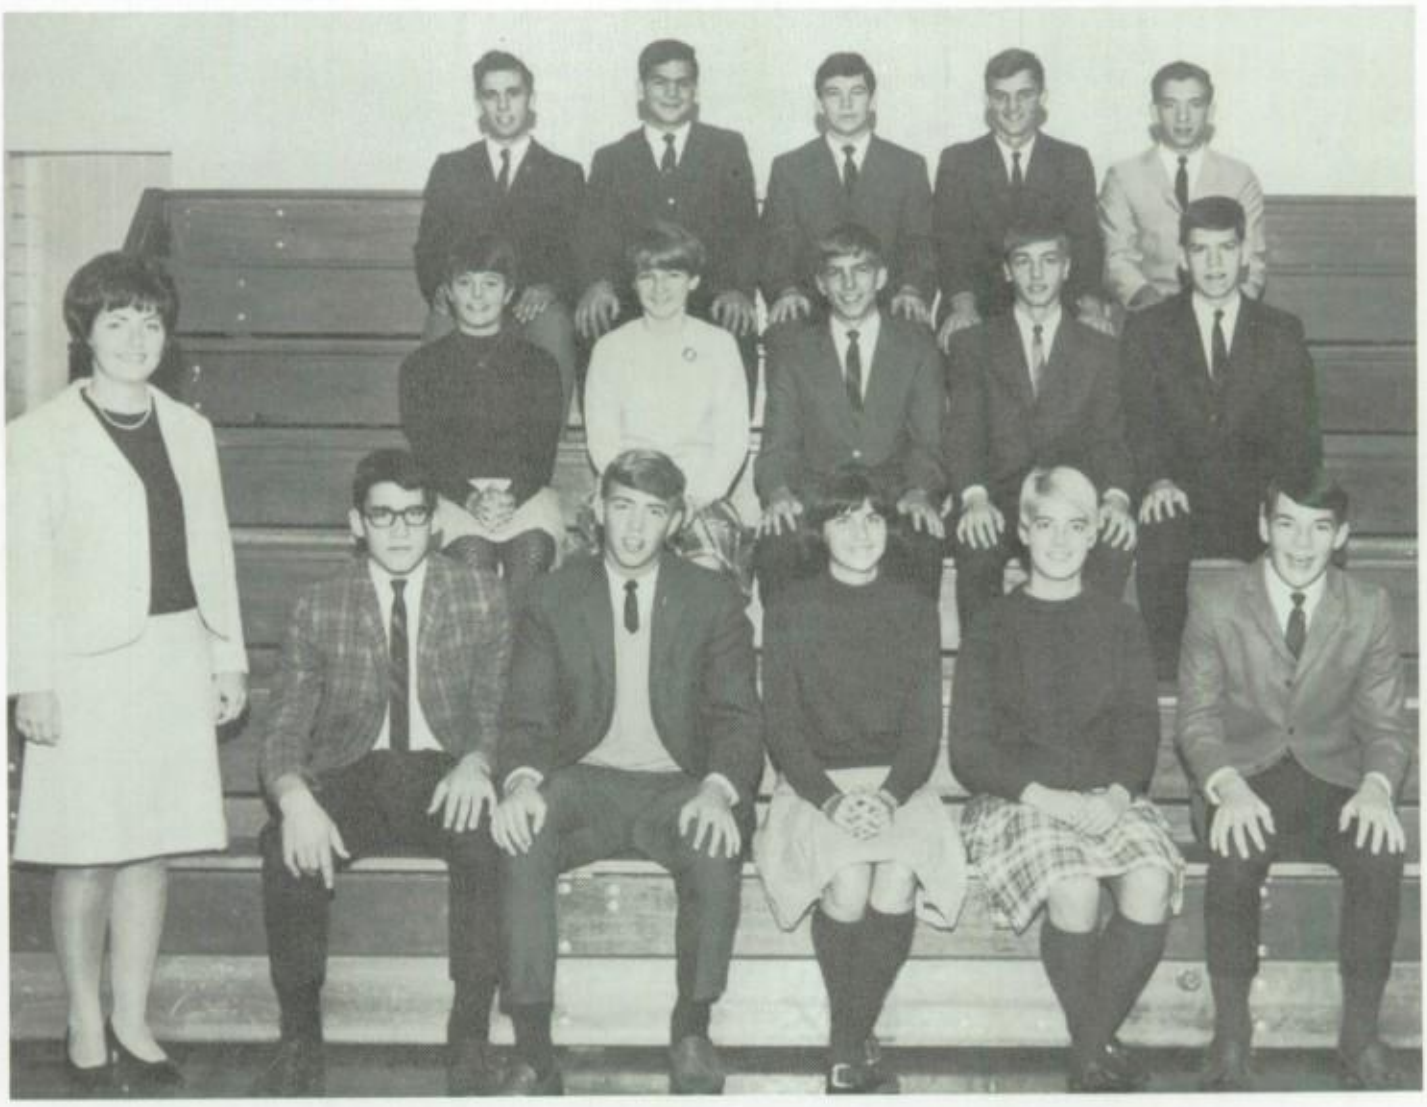
STAGE CREW

Stage Crew Contributes To Success Of Plays

During all presentations in the auditorium this year, there was as much action backstage as there was onstage. Rarely seen and taken for granted by the audience, the Stage Crew members spent many hours doing work which ranged from fixing flats and organizing lighting schedules to pulling the curtain and making stage props. Certainly, the members of the Stage Crew have offered an almost indispensable contribution to the success of various choral and dramatic performances.

Candid Camera Shows Many Aspects Of Student Life





SENIOR HIGH STUDENT COUNCIL

Senior High Student Council, Led By President Greg Colvin, Serves Both

Consisting of elected representatives from each of the three senior high classes, the Annville-Cleona Student Council is the school's governing body. Through its legislative activities the Council endeavors to solve student problems and therefore to better student-administrative relations.

Furthermore, the Student Council participated in various charitable drives. The Council members acted as chaperons to the children who participated in the World Service Drive at Halloween. The members also collected clothes for needy children in the "Save the Children Foundation" drive. As a member of the Capital Area Association of Student Councils the Council sponsored Field Day for the raising of money for Peace Corps schools.

School And Community

Not only does the Student Council help to administer school policies but it also serves both school and community in many ways. For instance, the Council has erected road signs at the intersection in Annville and on Route 934. For the students the Council sponsored a computer dance with Palmyra, sponsored an exchange student program with Cumberland Valley High School, and started an investigation into the possibility of opening a student store.

From Losing Seasons Finish In League Play

The AC tennis team showed great improvement in the 1968 tennis season and has the potential for an even better season next year. The loss of Lianne Dinnison and senior Charlotte Comins will be a blow to the team's line-up, but Deb Light, Jean Schmalzer, and Marilyn Reist will try their best to lead the team to victory next year.

VARSITY TRACK AND FIELD TEAM

Track Seniors Set Six School Records As Its Dual Meet Win Streak To

GREG COLVIN

Because of Greg Colvin's major knee surgery in mid-winter, few people would have guessed that Greg might eventually set a new school record of 2:00.6 in the 880 yard run during the 1968 season. Greg, however, not only ran the 880 yard run throughout the dual meet schedule; but, depending on the caliber of opposition, he was willing to run a leg on either or both of the 2 mile and mile relay teams. Regardless what he'd be called upon to run, Greg's fellow athletes and his coaches knew that even on only one sound leg, his pride and natural competitiveness would never allow himself to quit.

VARSITY TRACK SCORES

AC			OPP.	
106		Elizabethtown	44	
93	1/2	Central Dauphin	56	1/2
124	1/2	Norlebco	33	1/2
104	1/2	Redland	45	1/2
88		Cumberland V.	62	
121		Milton Hershey	29	
98		Mechanicsburg	52	
83	1/2	Middletown	66	1/2
120		Lower Dauphin	30	
112		Susquehanna	38	
112		Cedar Crest	38	
114		Palmyra	36	
99		Hershey	51	
136		East Pennsboro	14	

During his three years varsity career, Terry Waltz amassed 566 1/4 points, making him the all time scorer in the history of AC track and field. Indicative of his great value to the overall team effort was the fact that in only one dual meet did Terry fail to sweep the 100, 220, and 440 yard dashes.

Despite his phenomenal accomplishments, Terry had not set a school record until, ironically, during the final day of his high school competition at the County Meet, he set a new mark in the 440 yard dash with a clocking of 52.0. Not only had he set a record, but he also won the trophy awarded to the high scorer in the meet.

TERRY WALTZ

Records As The Team Extends Forty–Five

Led by the consistent performances of its senior distance men, the Little Dutchmen thinclads continued to dominate the track and field competition in the CAC Competition. In the process of finishing its third consecutive undefeated dual meet season in the CAC, the team also extended its all-winning streak in dual meets to 45.

Along with its fine dual meet successes, the track team's great depth and individual brillance showed to good advantage in special meet competition as the team won more trophys than had any other team in AC's history. Repeating as champion of the Lebanon County and CAC League Meet, the Dutchmen also triumphed in both portions of the Lebanon News Relays, in the Dichinson Invitational and in the Cedar Cliff Relays. In addition AC finished second in the Shippensburg Invitational and third in the District Meet.

Such an excellent seasonal track and field record is a tribute to the dedication of every athlete and coach as they continually strived to maintain that degree of excellence to which they had been accustomed. If this attitude continues, the chances for AC's future successes in track and field are quite bright.

BRUCE WATTS

Known primarily as a triple jumper, an event in which he holds the school record of 43' 3/4", Bruce Watts also came into his own in the long jump during the 1968 season. In the District Meet he culminated his fine improvement by jumping 21' 11" for a new school record as he finished scant inches from a second place finish and a trip to the State Meet.

WAYNE TSHUDY
DENNIS WEIDLER

Dennis Weidler and Wayne Tshudy emerged as the finest miler and two-miler in school history as they repeatedly broke their own school records. Weidler, whose best mile time was 4:31.0, typified the unselfish athlete who'll sacrifice himself on behalf of the team. For example in most meets, Weidler not only ran the mile and the half-mile, but he also ran anchor on the 2 mile relay team that eventually went to State.

While Dennis was attempting to fulfill the Herculean task set before him, diminutive Wayne Tshudy scored victory after victory in the 2 mile throughout the dual and special meet seasons as he set a new record of 10:02.5 in his specialty. Unfortunately, Wayne's unbeaten record came to an end in the District Meet where the gritty little runner finished out of the money.

MIKE ZECK

DICKINSON INVITATIONAL:
TWO MILE RELAY WINNER

Thinclads Record Six Tenth Straight County

AC's only representative to the 1968 PIAA State Meet was our excellent two mile relay team consisting of Greg Colvin, Mike Campbell, Jack Shenk, and Dennis Weidler. After finishing a close second in the District Meet, where they set a new school record of 8:08.1, the team managed to win fourth place medals at State.

Earlier in the season this quartet of the finest distance runners in AC history had been victorious in the Shippensburg and Dickinson Invitational Meets, the County Meet, and the Lebanon News Relays. In addition, Colvin, Campbell, and Weidler teamed with Barry Zimmerman to capture the distance medley title at the Cedar Cliff Relays.

VICTORY SCENE

RICK BAYLOR

Illustrating AC's great depth in the weights, Al Gibble, Fritz Diebus, Bob Wentling and Jim Hower easily captured the first shotput relay trophy in our school's history with an accumulative distance of over 190'. In leading his team to victory, Al Gibble broke his own school record with a toss of 53'3". In addition, Al also had topnotch performances most of the season. Only a subpar performance in the District Meet prevented Gibble from having finished in first or second place in every special meet.

Teammate Fritz Diebus gave AC a one-two punch not only in the shot, but also in the discus. Though he had contributed valuable team points with finishes in the top five in every special meet, Diebus saved his best performance for the District Meet where he putted the iron ball 52'5 1/2", making him the second best shot-putter in AC history.

Underclassmen Letter Needed To Insure The Little Dutchman In

Bob Wentling, AC's premier discus thrower, waited until the final competition of the year at the County Meet to come up with his finest career throw, 165' 5 1/2". With this toss, Wentling gained vengeance over one of his arch-rivals who had beat him in District III competition. Next year, with a lot of arduous work during the off-season, Bob should do even better in his specialty than he did during the 1968 season.

The five weeks preceeding March 14 were some of the busiest for the cast members of "Annie Get Your Gun". There were lines to learn, rehearsals to attend, sets to construct, and costumes to make. As curtain time drew nearer, the pace quickened with last minute details. Everyone involved, including director Mr. DeHaven, experienced a tense anticipation. On Thursday and Friday evenings, March 14 and 15, however, all the work and preparation were climaxed in two highly successful and extremely rewarding performances.

ACAG TRI-HI-Y

In affiliation with the Y.M.C.A. the Tri-Hi-Y clubs participate in school, county, and national projects. Annville-Cleona's three Tri-Hi-Y's, the Sophomore Busy Bee's, the Junior A-C A.G., and the Senior A-C Teens, work together and separately. The individual Tri-Hi-Y's have their own club activities and participate together in the activities of the national organization.

For the last three years the A-C Teens have remained active in serving the school and the community. This year every Monday seventh period the girls sold soft pretzels at the south door. Capping their service to the school, during Teacher's Week the Teens presented carnations to the teachers. At Thanksgiving, Christmas, and Easter the girls extended their activities beyond the school and presented food baskets to needy families in the surrounding communities.

YEARBOOK STAFF

Staff Elects To Incorporate A Functional Method Of Organization

At the meeting to choose a theme for the '68 Corinoma, the staff members discussed many ideas and finally decided not to have a theme but to index the yearbook alphabetically so that features could be located easily.

Along with its new approach the staff decided to add twenty pages to the yearbook, making possible a bigger and better senior section and a more complete coverage of the activities of the senior high organizations.

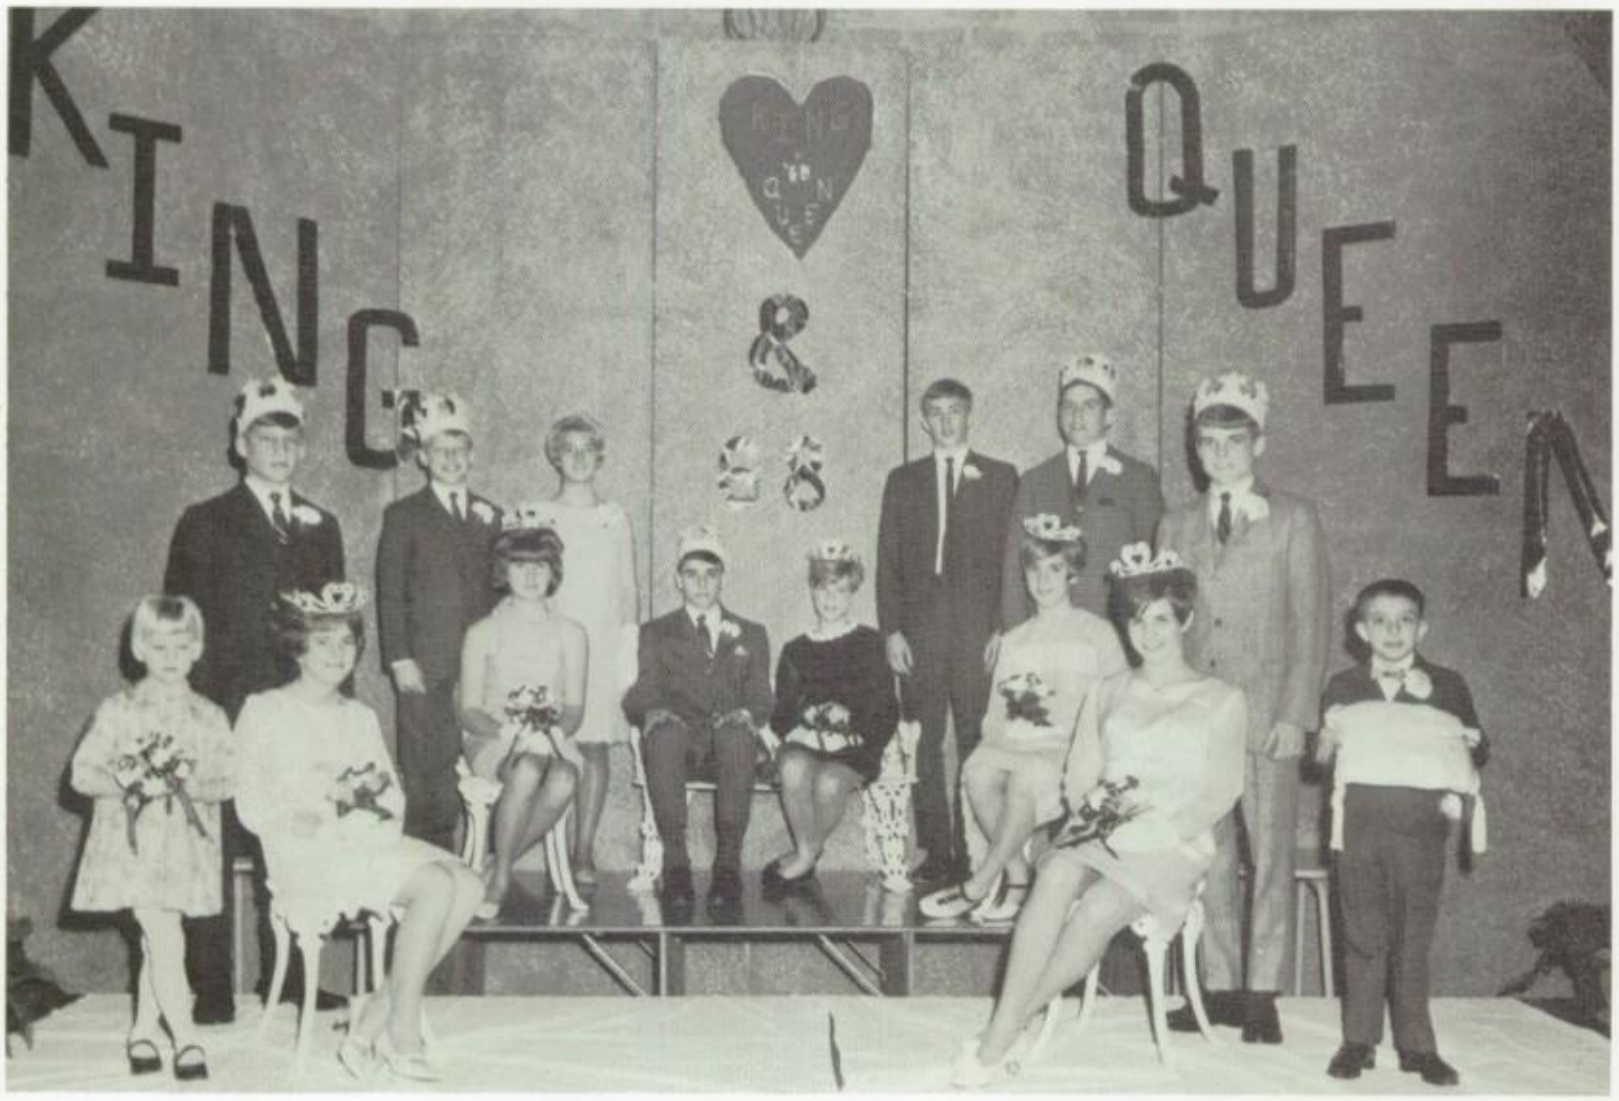
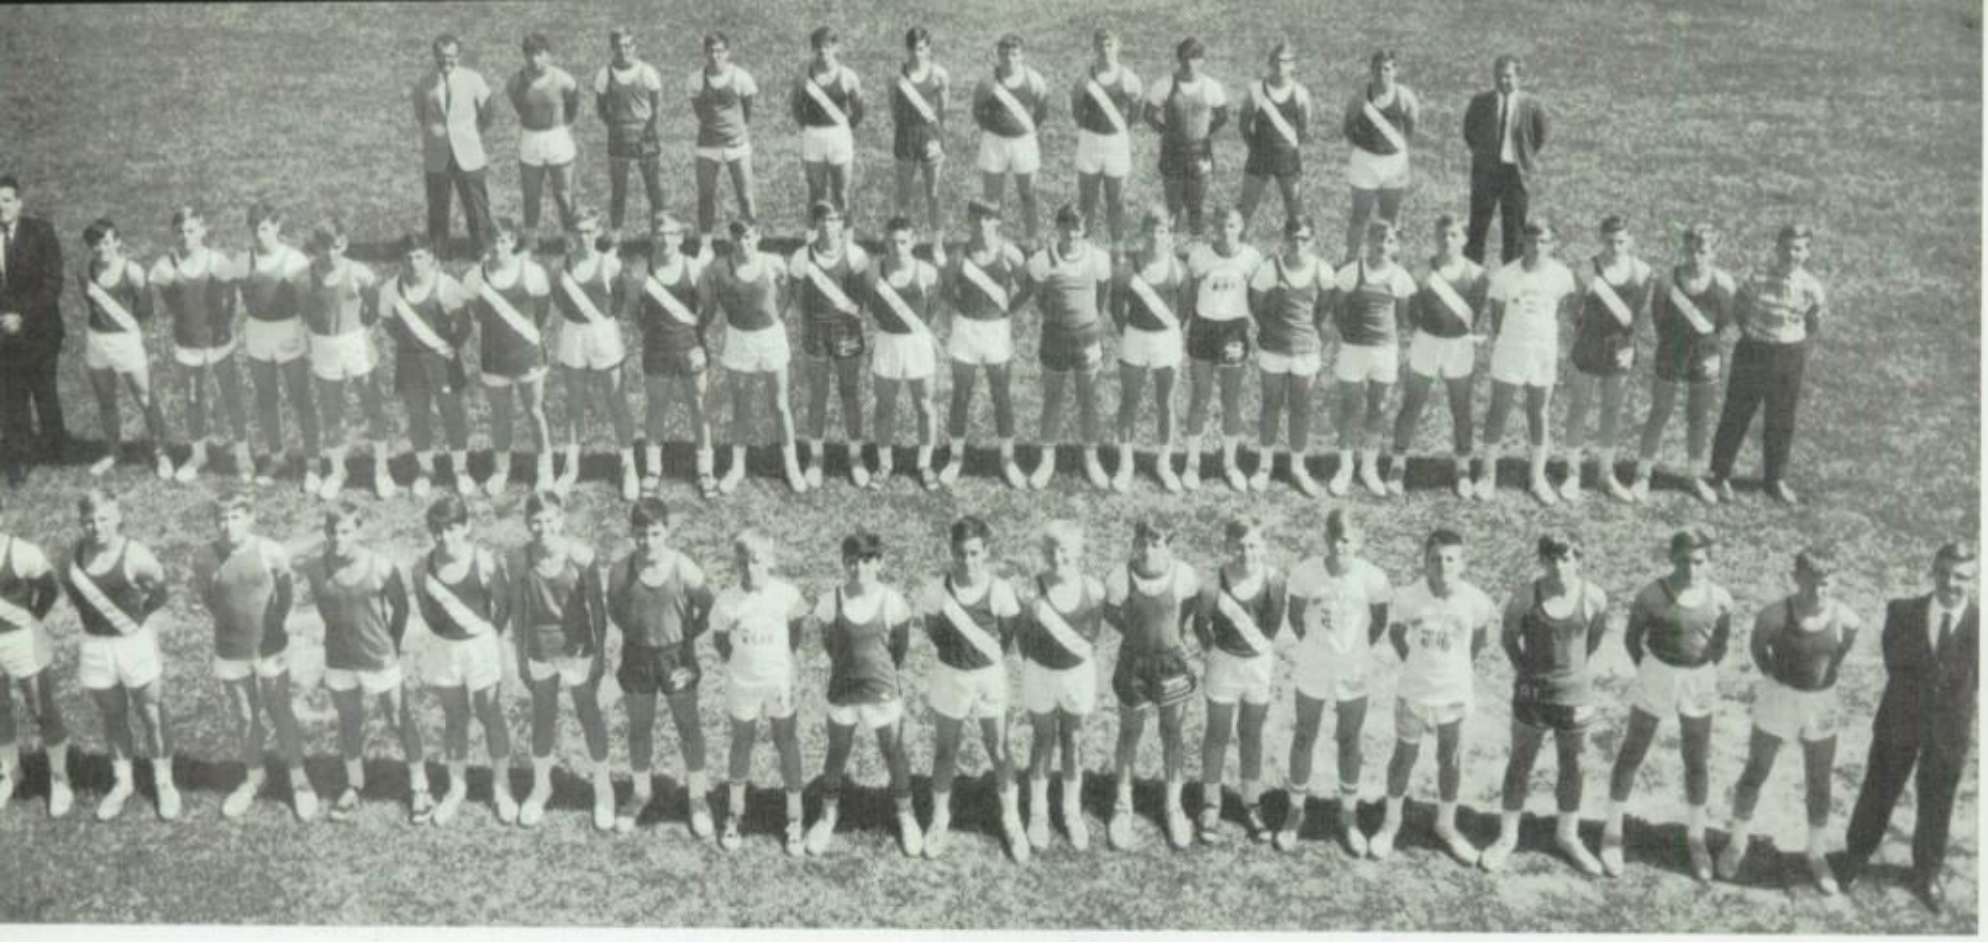
JUNIOR HIGH STUDENT COUNCIL

Outstanding Responsibility Of Junior High Student Council Is Organization Of King And Queen Of Hearts' Dance

KING AND QUEEN OF HEARTS: DALE GINGRICH AND PAM BOGER





JUNIOR HIGH TRACK TEAM

Terry Rhoads, the most unsung member of the team, usually had to compete against the opposition's biggest and best runners. Terry still managed to achieve a great deal of personal success, highlighted by his fine efforts in the District Three Meet where he finished fourth and sixth in the 100 and 220 yard dashes, respectively.

The dedication and determination of Charlie Greenawalt before and during the 1968 season enabled him to excel in both dual and special meets as he emerged as team scoring leader with 135 points. Charlie's two biggest days occurred in the District and County Meets. In the District he not only won both the 100 and 75 yard dashes in "B" competition, but he also set a new meet record of .8.2 in the latter event. Later in the season in the County, Greenawalt had another great day as he scored a coveted triple in winning the 100 and 220 yard dashes and the 120 yard low hurdles in sparking his team to victory.

JUNIOR HIGH TRACK SCORES

AC		OPP.
95 1/2	Norlebco	13 1/2
	Elco	6
73	Cedar Crest	18
114	Middle-town	41

72	Susque-hanna	74
77	Lancaster Hand	69
111	Palmyra	71
34	Wilson	80
89	Elco	20
	Norlebco	6
83	Elco	17

COUNTY MEET
1st AC

DISTRICT THREE MEET
5th AC

While other AC Junior High Track Teams have had better records than the 10-2 record compiled this year, the 1968 team--because of the outstanding quality of most of its opposition--might possibly be the best ever produced at ACHS. Nevertheless, the team members never quite achieved their potential until the last meet of the season when every one of our entrants in the County Meet had excellent performances in repeating as County Champs for the third consecutive year. If the ninth graders retain the dedication and enthusiasm that they showed this past year, their continued development should enable them to fill the shoes of the graduating seniors on the Varsity Track Team.

Peak Performances Enable Junior High Track Team To Garner AC's Third Straight County Championship

Jim Hostetter, who reset the AC Junior High School records in the 660 and 880 yard runs with times of 1:34.1 and 2:19.0 respectively, was one of the pleasant surprises of the 1968 track season. Throughout the season his teammate and friend, Martin Brandt, pushed Jim to his record performances until the County Meet, when the roles were reversed.

Despite a nagging back injury, Jim Bowers still managed to contribute many valuable points to his team's cause. An accomplished athlete in both the high jump and discus events, Jim excelled in the shotput where he not only set a school record of 53'5 1/2", but he was undefeated throughout the season except for a second place finish in the District Meet.

Though a returning letterman, Phil Keller had done very little broad jumping during his initial season of competition. Thus, his consistent eighteen foot jumping during the past season was quite phenomenal. In addition to his broad jumping, Phil's natural sprinting ability and hard work enabled him to gain valuable third places in the County Meet in the 220 and 440 yard dashes. These six points along with his first place finish in the broad jump made Phil the meet's second highest scorer.
